Thiruvananthapuram. [Downloaded Copy - Association of Retired Teachers \(ART\)](#)

**ORDER**

Farook College

Government started implementation of Integrated Financial Management System (IFMS), which envisages complete automation of Government related financial transactions with all stakeholder departments and agencies. As a part of this, several online applications relating to salary processing, budget allocation, letter of credit management, etc. are already put into operation. The IFMS also aims to give the best class service to its pensioners, especially of very aged class, as many of them are facing difficulty in getting their pension information and are not able to travel treasury for collecting such details.

In view of the foregoing, Government are now pleased to introduce a Pension Portal for all service pensioners in the State, drawing pension through treasuries or banks. The same will be available under the link "[www.treasury.kerala.gov.in/pension](http://www.treasury.kerala.gov.in/pension)". The information regarding the break up details of pension amount, Income Tax statement, pension pass book entries, etc. will be available to pensioners by login to this portal based on secured user credentials. The provision for uploading the anticipatory income tax statement and downloading form 16 will also available in the portal.

The user credentials for each pensioner will be issued by the treasury officer on registering the mobile number of the pensioner. For that pensioners can approach any treasury in the State. The registered mobile number will be the user id for login.

The Director of Treasuries will issue necessary instructions to all treasury officers to facilitate this, without creating any difficulty to the pensioners approaching them.

Necessary amendments in the codal provisions, if any, required will be issued separately.

(BY ORDER OF THE GOVERNOR)
