Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

As per the Government decision under Rule 7 of Part A Appendix X, Part III Kerala Service Rules, if the pensioner dies on or after the date on which commutation became absolute but before receiving the commutation value, the same shall be paid to the heirs on production of an heirship certificate issued by a Tahsildar to the extent of Rs. 2,500 and any amount exceeding Rs. 2,500 under the orders of Government on execution of an indemnity Bond in Form 8. This involves considerable delay in settlement of claims. Government of India have issued necessary amendments to the CCS (Commutation of Pension) Rules making it compulsory to file nominations along with applications for commutation to receive the commuted value of pension in case the applicant dies before receiving the commuted value on or after the date on which commutation becomes absolute. It is proposed to introduce a similar provision in the Kerala Service Rules also. This amendment is intended to achieve the above object.
